Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The investor and business development roadshow to hotspots for fintech innovation allows for a deep-dive into the global startup scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Fintech is co-organized by Venturelab and Swissnex. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of EPF Lausanne, ETH Zurich, PostFinance and Walder Wyss.

Great program - Very interactive and excellent organization - Built for entrepreneurs that want to move ahead and grow into new markets.
