Those eligible to participate are:

- Founding and managing members of startups based in Switzerland;
- Fundraising and ready to grow business internationally;
- Building a global technology startup in telecommunications and connectivity, digital health or fintech.

Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The Investor and Business Development Roadshow to the MWC allows for a deep-dive into the global technology scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Mobile is organized by Venturelab. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of Huawei Switzerland, Swisscom, and VISCHER

"Highly recommended and totally worth every minute!
Great organization and support ahead and during the program by the team."

Daniel Ammann,
President onocoy
